NEW JERSEY

SPLENDID OPPORTUNITY FOR EARNEST HOMESEEKER

My family, which was a large one, has reduced itself to my wife, myself and the servants. I have bought a smaller property in my immediate vicinity which meets my personal requirements and desire to sell my large home. To do so quickly, I am offering it at a fraction of its real value to some one of culture and refinement who would be acceptable to my neighbors and myself. The grounds, which include an excellent tennis court, were beautifully landscaped by a prominent architect several years ago and elaborately planted with flowers and shrubs. Fine trees abound. The house is a gem, in absolutly perfect condition from cellar to attic. The purchaser could move in on 24 hours' notice and avoid the many annoyances and expense incident to occupying a new house. The first floor consists of a huge veranda facing east, a panelled living room 35 ft. long with immense inglenook fireplace, a spacious dining room, a tiled breakfast room, two butler's pantries and kitchen. Six master's bedrooms, one with open fireplace, and two very large tiled bathrooms comprise the second floor. The third floor has a pool and billiard room, extensive servants' quarters and servants' bath, The location is ideal, within five minutes' walk of the express station, with fine commuting service to New York City. The neighborhood is exclusively residential and occupied by an unusually fine class of people. Elevation over 900 feet. All city conveniences for comfortable living in the country prevail. I will sell for \$20,500 complete, \$10,000 of which can remain on first mortgage, and easy terms can be arranged for the balance. Complete details, including plans and several pictures, can be obtained from the writer by addressing "Suburban Home Owner," P. O. Box 529, City Hall Station, New York City.
